118 ½ Willis Plaza  
Gaffney SC 29340

## Deposit Payment Schedule

Dear Mr. Tate:

Gaffney Board of Public Works requires a power deposit from every customer prior to connecting service. Our standard policies established the value of the deposit based on the average of the highest three-monthly power bills times two. Based on the loads and estimated run times we estimate the highest three highest bills for 1 pod to be \$34,904.11, \$34,904.11, and \$34,283.38. The average of these three bills is \$34,697.38. Thus, the power deposit will be \$69,395.76 for each pod. The total deposit for 20 pods will be \$1,387,895.20.

Per our conversations, and due to the scale of your operation BPW is willing to allow the following deposit schedule shown below:

10/19/21	\$50,000 – Received	
11/04/21	\$50,000	BPW Order Materials
12/3/21	\$462,631.73	8 Pods Connected
12/17/21	\$462,631.73	8 Pods Connected
1/7/22	\$362,631.74	4 Pods Connected
Total:	\$1,387,895.20	

We will proceed with ordering the necessary materials to start service; regulators, conductor, and metering equipment, after we receive the 11/4/21 deposit of \$50,000. In the unlikely event that Litchain fails to establish permanent service we reserve the right to offset our material cost with the first two deposits (\$100,000).

The full \$1,387,895.20 deposit will be held in our deposits escrow account until the termination of service.

If you need any additional information please don't hesitate to contact me at ccox@gbpw.com or 864-649-2180.

Sincerely,

A handwritten signature in black ink, appearing to read 'Cory Cox'.
